Spring 2023

Dear fellow SWE members,

Spring is finally here! We hope that all of your work terms are all going great, and we are excited to see you all again in July. Here's a look into what your Executive Board has been up to and what you have to look forward to in the summer!

Introduction to the new Executive Board

Mariah Davis, President

I am super excited to be your President this year! I am a Senior II, Electrical Engineer. I co-op with Ford in Dearborn, MI, working with robots to make jobs in manufacturing ergonomically better. My favorite quote is, "the greatest thing you'll ever learn is to love and be loved in return." I know it sounds super cheesy, but I believe that when you love something you do your best and others will love it back. That's the best feeling. As your President I want to be there to help you love SWE as much as I do.

Adria Dixon, Vice President

Hello all you beautiful people!! My name is Adria, and I'm super excited to be your SWE Vice President! I am a Junior 1 studying Electrical Engineering. I co-op with Bosch Automotive Steering as a hardware engineering co-op in Plymouth Michigan, where I work on steering towers and circuit boards. My favorite quote is "If at first you don't succeed, try, try again". I'm really excited to be on SWE Eboard and getting SWE outreach to all the Kettering community! Let's have an amazing year!

Sabrina York, Treasurer

Hey everyone! My name is Sabrina York, and I will be your treasurer for the 2023-2024 school year! I am a senior 1 studying mechanical engineering and I co-op with American Axle & Manufacturing in Auburn Hills, MI. My favorite quote is "Hard work beats talent when talent doesn't work hard." (Notke). Let's make this a great year for SWE at Kettering!

Rebecca Dengel, Secretary

Hey y'all, my name is Rebecca Dengel, and I am the new secretary for SWE. I am a senior who-knows-what, industrial and mechanical engineering major, with a minor in business and I co-op at Refresco in Paw Paw, MI. My favorite quote is nonexistent, but I'm fond of "It always seems impossible until it's done" by Nelson Mandela. Overall, I am really excited to be on the e-board for SWE and look forward to what this upcoming year has to bring.

Gabrielle Miller, Public Relations Chair

Hi everyone! My name is Gabrielle, and I will be the public relations chair for the 2023-2024 school year! I am a Junior 1 by credit, but Sophomore 1 by term. My major is Mechanical Engineering, and I co-op at Ford Motor Company in Dearborn, MI where I am a part of their vehicle integration team! My favorite quote is, "You learn more from failure than from success." I am really excited to be your public relations chair and I can't wait to see all of you in the summer!

Skyler Chinn, Outreach Chair

Hello members of SWE! I wanted to introduce myself and say thank you for electing me as your Outreach Chair. My name is Skyler Chinn and I am a Senior 2 Industrial Engineering major. I work as a Vehicle Supply Chain Co-op at Waymo. I enjoy playing volleyball and hanging out with my friends.

Kyla Meyle, Professional Development and Alumni Relations Chair

Hello Everyone! I am Kyla Meyle and I am a biochemistry major with a concentration in pre-med. I am currently a PCA at Storypoint Nursing Homes in Kalamazoo Michigan. I enjoy listening to music, playing intramural sports and spreading awareness about type 1 diabetes. My goals for this position is to create more interest in joining SWE and informing the Kettering community about what SWE does!

Amazing SWE Opportunities

Get Involved!

Since we do not meet during work we wanted to take the opportunity to put the professional section on your calendar for work term! We realize that most of our members work in the Detroit section so that is the professional section we focus on. However, if you work in another area please contact Mariah Davis and she will help you get in touch with the correct section!

To keep up with the Detroit section you can visit their blog and that will help you stay up to date with section events

Another option is to join the SWE Detroit Email list, it's as easy as emailing swemail@swe.org and in the body write **subscribe swe-d**. This will keep you in the loop on their activities.

Feel free to reach out to any Eboard member with any questions, concerns, or suggestions! We are always open to feedback of any kind. We want to make your time with our SWE chapter worthwhile and memorable, so let us know what we can do to improve! See you all in the Summer!

Sincerely,

Mariah Davis
